Seek information on an early Virginia Martin-Thomas connection. Jesse Martin, found in land records of Amherst Co., Va. from 1779 until 1795, migrated to Oglethorpe Co., Ga. in 1795 where he was given, by deed, an entire plantation (acreage, buildings, equipment, slaves) by a Joseph Thomas, whose only stipulation was that he be allowed to live on this land for the remainder of his life. The implication was that Joseph Thomas was elderly. Back in Amherst Co., Va., many years earlier, 1749, a John Martin received 200 acres of land for 5 shillings from a Joseph Thomas (same?). In addition, Jesse Martin's children and grandchildren carried names of Amherst-Albemarle Thomases - Jesse, Cornelius, Hezekiah and Lucy. Does anyone have any evidence of a Thomas-Martin link?

Looking for information about the ancestors of one John Martin who was born about 1756, Va., m. about 1779 (where?) to Sarah Isabella Scott, and died 1825, Bridgeport twp., Lawrence, Ill. Wish also to contact any descendants of his sons particularly Philip W. Martin, b. 30 Jan. 1801, Logan Co., Ky., m. Mary "Polly" Montgomery (where?) ca. 1820? A name which seems to be used in various generations of these Martins is Euphemia "Famie, Uphamy." The only early Euphemia I find was the wife of James Martin (Loudoun Co., Va. Will Book B, p. 201, 20 Aug. 1776-8 Dec. 1777). There were no children from that marriage. Will left or mentioned brother, William, and a sister who married a Liken and nephews: James Martin and Wm. & James Liken. Any clues would be appreciated.

NATIONAL ARCHIVES AND RECORDS SERVICE - ANNOUNCEMENT CHANGES IN PROCESSING REQUESTS FOR COPIES OF VETERANS' RECORDS AND PASSENGER ARRIVAL RECORDS - Effective May 1, 1984, all requests for copies of military service records or passenger arrival records must be submitted on NATF Forms 80 and 81, respectively. After May 1 prior versions of these forms (NATF Form 26 and NATF Form 40) will not be accepted for processing. All forms other than NATF Form 80 or NATF Form 81 that are received after May 1 will be returned.
A change in payment policies will also take effect May 1, 1984. NARS has in the past required that payment accompany requests for copies of veterans records and passenger arrival records. After May 1, 1984 payment should not be sent with the NATF forms 80 and 81. NARS will research the request, prepare copies of any records located, and HOLD THE COPIES FOR 30 DAYS or until payment is received, whichever is sooner. As soon as records are located and copied, researchers will receive a bill and instructions on returning their remittances.
Researchers should also submit a separate NATF-Form 80 for each file (pension or bounty-land or compiled militiary service) desired. Previously researchers could ask for multiple files on one form. This change is designed to facilitate processing by the National Archives. Anyone interested in obtaining copies of the NATF-Forms 80 and 81 may do so after April 1 by writing to the following office: Reference Services Branch (NNIR), National Archives and Records Service, 8th and Pennsylvania Ave., N. W., Washington, D. C. 20408.
